

International Summer Study Program

"Exploring the Russian Heritage: Russian Language, Literature, History and Economics"

June 26 - July 23, 2017

Understanding Russia is a challenging task that you will never regret accomplishing. This summer school module comprises **a range of courses** taught in **English language** helping our students to explore Russia from inside: language study is combined with culture and economics classes, **field trips** and **excursions to the world famous sights** of St.Petersburg and its suburbs.

Our courses are developed according to the international standards and can be **recognized as a period of study abroad**.

COURSES	ECTS credits	US credits	Language of instruction	Document received
