"The Challenge of the White Nights: Russian Language, Politics and Art"

June 05 - June 25, 2017

June is the best month for those who would like to enjoy the **famous White Nights** and **earn academic credits** at the same time. We provide our students with the opportunities to gain or improve their Russian language skills and to learn about history, culture and politics of Russia.

St. Petersburg, the so-called "**Cultural Capital of Russia**", with its rich heritage, is a city where you can always find something new and exciting to see and to learn. A city where Pushkin, Dostoyevskiy, Tchaikovski found inspiration, a city of classic ballet and open bridges. **A city you will fall in love with once you visit it.**

STUDY PROCESS: indoor classes are enhanced with the **field trips**, case studies, group and individual activities. We have long-term cooperation with the largest universities of Europe, USA and Asia, our courses are developed in accordance with the international standards and can be **recognized as a period of study abroad.**
